# Cursada

Teórica:

1 Parcial

2 recuperatorios

Práctica:

2 Labs individuales

4 TPS Grupales de a 2 alumnos

- Cada instancia de entrega un cuestionario

# Correcciones

Inscriptos 2022: 120 alumnos

2 labs + 4 trps + 3 instancias parcial = 9 items

$120 \times 9 = 1080$  totales items a corregir

$120 \times 6 = 720$  trabajos a corregir

"I SPEND A LOT OF TIME ON THIS TASK.  
I SHOULD WRITE A PROGRAM AUTOMATING IT!"

# Bibliografia

Operating Systems:  
Principles and Practice.

Thomas Anderson

Michael Dahlin.

## Bibliografia

Operating Systems: Three  
Easy Pieces

Remzi H. Arpaci-Dusseau

Andrea C. Arpaci-Dusseau.
